

REACH/RoHS Compliance Declaration

REACH

Article 33 of EU REACH Regulation No. 1907/2006 requires that Dotson Iron Castings notify our customers in the case that any of the REACH Candidate List SVHC is present above 0.1% (weight by weight) in articles that we supply. Article 3(3) of the REACH regulation defines an article as “an object which during production is given a special shape, surface or design which determines its function to a greater degree than its chemical composition”. Iron castings produced by Dotson do not contain any substances on the Candidate List of Substances of Very High Concern (SVHC), nor are any of these substances used in the processing of iron castings. This declaration is current as of 10-23-2020 and is reviewed bi-annually for changes.

RoHS

All castings produced by Dotson Iron Castings are in compliance with EU Directive 2015/863 as of 10-23-2020 and is reviewed bi-annually for changes.

A handwritten signature in black ink that reads "Ashley Folden-Ecker".
